

NEW BUILDING SERVICES

- General Maintenance works
- Roofing and gutter repairs
- Landscaping
- Painting and decorating
- Plastering and rendering
- Window replacements
- ... Plus much more

We specialise in covering all aspects of building and maintenance, from changing a lightbulb fixing a leaking roof, replacing exterior plastics to full landscaping, we offer an extensive range of services.

Aqua Power Group is a highly professional and friendly family run Company that prides itself on first-class workmanship and first-class customer service.

It's important to us to ensure the achievement of high standards across the board to develop long-term relationships with all our clients so that we are your first and only choice.

We offer such a wide range of services because we have access to multi trade in house staff and external contractors, whom we work very closely with.

This puts us in a fantastic position that whatever problems, or projects arise we have the right people for the right job.
